7. MARCOS, BONGBONG

Illegal Drugs but with a focus on prevention, education, and rehabilitation. Duterte administration's anti-insurgency campaign as well as its bloody campaign against the money stolen by his family, though Marcos claims that he never possessed or even era. Another P125.9 billion has yet to be recovered and remains under litigation.

The candidate's top priorities if elected to office, tracked against previous promises and accomplishments, if any

Platform and Policy

Infectious Diseases to expand home care for mild COVID-19 patients to avoid stress on healthcare system

Prevention Act of 2011

Ought integration of climate change mitigation in all infrastructure projects

Promised to focus on "air pollution problem" in the country

Urged integration of climate change mitigation in all infrastructure projects

Also known as the Marcos family

Actions and Accomplishments

More recently, he has been publicly accused of building and maintaining online propaganda networks to publi...
